

Luca Panayiotou

164 Westwood Lane, DA16 2HN | 07443 634 888 | lucapanay13@gmail.com | lucapanay@icloud.com
Date of Birth: 13 April 2004

Personal Statement

Confident, sociable and motivated, with a strong work ethic and a natural ability to build lasting relationships in fast-paced environments. I communicate well, adapt quickly and approach challenges with enthusiasm, curiosity and a practical problem-solving mindset. I work effectively both independently and as part of a team, and I am committed to continuous learning and growth. I am looking to apply my skills and experience in a role where I can make a meaningful impact.

Certificates and statements of participation can be supplied as supporting evidence. No OpenAI Academy or OpenLearn credential numbers were shown in the accessible source records, so none have been invented.

Part-Time Work

Worked for Welling United Football Club for approximately a year, helping with ticket distribution and seat allocation. Also worked as a labourer supporting renovation and construction work, and later in fire safety, assisting with pipe-pressure regulation and compliance checks against industry standards. Most recently, I have worked in the insurance sector to broaden my knowledge in a field that suits my strengths in communication and networking.

Work Experience Summary

Stanborough Underwriting (Insurance Industry)

2023-Present

- Developed professional communication and networking skills in the insurance sector.
- Gained experience in problem-solving and adapting to complex situations.
- Enhanced my ability to work in a structured business environment.

MJ Fire (now FAFS) - Fire Safety Technician

2022

- Conducted water-pressure testing on dry risers to support fire-safety compliance.
- Identified and reported potential faults to help prevent fire-safety hazards.
- Developed attention to detail and awareness of industry regulations.

Labourer - Various Construction Projects

2021

- Assisted in building and repairing structures in residential properties.
- Gained hands-on experience in manual labour, teamwork and problem-solving.
